

2020 RUSA Annual Preconference Proposal Form

What is the purpose of this form?

This form is to be used by RUSA Sections, Interest Groups, and Committees to submit proposals for 2020 RUSA Annual Preconferences. These proposals are submitted to the RUSA Conference Program Coordinating Committee (RUSA CPCC) for review. Submitted proposals should have already received approval by the leadership of that Section, Interest Group, or Committee **before** submitting this form.

This form is **not** to be used to submit proposals for regular programs at the 2020 ALA Annual Conference. For information regarding submissions for regular conference programs, see RUSA Update at <https://rusaupdate.org/2019/07/2020-ala-annual-conference-proposal-submission-site-open/>

When do these events take place?

Preconferences are ticketed events which require an additional registration to attend.

- ALA Annual Preconferences will be held at the ALA Annual Conference in June 2020 in Chicago, IL . These are usually half-day or full-day events and will be held on Friday, June 26, 2020.

What is the timeline?

- Proposals must be emailed to RUSA CPCC by **Friday, August 30, 2019**.
- RUSA CPCC will review proposals and forward its recommendations to RUSA Board for approval by **Friday, September 6, 2019**. RUSA CPCC may recommend that the proposal's budget be modified, that there be a co-sponsorship with another RUSA section or ALA unit, that it be offered instead as a discussion, or that it be offered instead as an online webinar.
- Preconference organizers and the sponsoring RUSA unit will receive notification about the status of their proposal no later than Friday, **September 27, 2019**.

What criteria will be used to evaluate each proposal?

- Timeliness of the topic
- Relevance of the topic to RUSA's members
- Originality of the topic or approach to the topic
- Expertise of the presenters
- Quality and clarity of the program's objectives
- Anticipated attendance
- Budget:
 - If funding is requested, will registration fees and sponsorships cover these costs and still provide RUSA revenue? Institutes and Preconferences that are likely to make little or no revenue are unlikely to be approved.
 - What sponsorships have already been secured and at what amount?

Upon completion of the form, email it by Friday, August 30, 2019 to Barry Trott, btrott@wrl.org, chair of the 2019-2020 RUSA Conference Program Coordinating Committee. You are also welcome to reach out to Barry with questions about the process before submitting the form.
